Acceptable Use Policy (AUP) for use of EdTech Resources

Purpose of the Acceptable Use Policy (AUP)

Technology is an essential part of learning in today's world.

This Acceptable Use Policy (AUP) establishes guidelines on the appropriate use of EdTech resources to help you understand how to use these resources safely and responsibly, in line with efforts to develop your digital literacies and growth as digitally responsible citizens.

EdTech resources include the following, but are not limited to:

- Learning devices (e.g. school devices and Personal Learning Devices (PLDs))
- ICT system accounts (e.g. Singapore Student Learning Space (SLS), iCON); and school internet networks.

For more information, please refer to:

General

1. You should not attempt to access data, system and information that you are not authorized.
2. You are reminded that the use of learning devices and school's EdTech resources should solely be for the purpose of learning.

Being a Responsible Digital Citizen

3. You should interact with others in a respectful and responsible way. You should not post online remarks that are
 - racially and/or religiously insensitive,
 - vulgar and/or offensive, or
 - hurtful to others.
4. You should not use any devices to:
 - store, modify, create or share content (e.g. documents, presentations, pictures and videos) that is inappropriate (e.g. indecent, pornographic, defamatory, hurtful to self or others).
 - make threats, cause harassment or embarrassment, impersonate or intimidate others.

5. You should not use MOE/school-deployed ICT system accounts for any commercial activities (e.g. buying and selling of goods and services).

Non-compliance with the above will lead to disciplinary action in accordance with the school's discipline policy.

Respecting Copyright

6. You are reminded to obtain explicit permission from the content owner(s) before downloading, copying or sharing any copyrighted materials (e.g. pictures, videos, music).
7. You should not use, copy, edit or share digital files in an unauthorised or illegal manner.

Using Artificial Intelligence (AI)

8. You must ensure that you meet the minimum age requirement specified in each AI tool's age restrictions before using it.
9. If the use of AI is permitted, you are required to acknowledge the use of AI in your schoolwork.
10. You are to practice academic integrity and be responsible for your own learning when using AI. Understand that you are ultimately short-changing yourself if you pass off other's work as your own.

Staying Safe and Secure Online

11. You should report any incidents (e.g. unusual device behaviour or inappropriate use of devices), to the school (e.g. your form and/or subject teacher etc.).
12. You are reminded to develop online safety habits. This includes not disclosing personal access credentials (e.g. MIMS password etc.), sensitive personal data (e.g. home address, passwords) online or on AI platforms, verifying credibility of online content before sharing, avoiding clicking on suspicious links or downloading unknown files, and being cautious when interacting with others online (e.g. on social media) by not engaging with strangers.
13. You should exercise caution regarding the limitations of AI tools, including potential inaccuracies / fabricated responses, inherent biases and outdated information.
